

LUBRICATION

HAND / PNEUMATIC GREASING EQUIPMENT

At NCPS we stock quality greasing product for all your needs. Greasing Products we can supply include hand, pneumatic and battery operated.

HAND / PNEUMATIC OIL TRANSFER EQUIPMENT

We can offer a solution for most situations. From transferring oils by hand or pneumatic driven pumps for high use and flow. We also offer full lubrication systems to distribute your lubricants safely and efficiently.

FUEL EQUIPMENT

Transfer of combustible fuels is very dangerous so you need to make sure you have the correct product for the job. For transferring Kerosene, Diesel, Bio-Diesel & Petrol. We have hand and electric pumps as well as accessories

FLOW METERS

Metering is crucial to avoid over fill and save time and money. Our range includes both digital and mechanical meters. We have a meter to suit most applications or liquids.

HOSE REELS

If it's a hose reel for lubrication, air supply or water we can supply to meet your needs. As well as meeting safety requirements they will also keep your work area clean, tidy and hazard free.

LUBRICATION

CHEMICAL PUMPS

Our range of chemical pumps includes rotary & piston.

We also have pumps suitable for Ad Blue

ACCESSORIES

As every system is different we carry a large range of accessories to suit and replacement parts are also stocked.

OILSAFE

Oil safe is a unique colour based coding system for workshops & service vehicles. It helps prevent contamination, reduces spills & leaks with its sealed containers and reduces down time with easy transfer of liquid.

WASTE OIL

Extracting waste lubricants can be time consuming and messy. With the manual hand pump extraction it is easy to use and long reach tubes get in those hard to reach spots. The pneumatic drum pump will suck waste into a drum and when full can be reversed to extract into a larger waste container.

LUBRICATION PRODUCTS

We carry a large range of lubrication products from greases to oils to spray lubricants.

Our grease range includes hi-temp and food grade grease as well as a food grade spray lubricant that doesn't wash off.
